

## MEAT MARKETS TO BE CLOSED SUNDAY

Ordinance Is Passed at Meeting of Council.

## THREE STREETS RENAMED

Large Amount of Routine Business Transacted.

An ordinance providing for the closing of all meat markets during each Sunday of the year around and another for changing the names of three streets was passed last night at an adjourned session of the members of the city council.

The ordinance regarding the closing of all meat markets was passed as the result of a petition which was presented to the city council and signed by the name of every meat dealer but one in the city of Wichita. In violation of said ordinance any person may be fined not to exceed \$20 and be given a 30 days' sentence in the city jail.

The changes made in the names of three streets were brought about by petitions presented to the council some time ago and signed by the property owners on those thoroughfares. Myrtle Street from street from Lewis street, will be known as Lafayette. Minor avenue on College Hill will be known as Townsend. Minor avenue between First and Second was changed to Summer street.

In the way of appointments 31 A. McClellan was selected to serve in the place of Fred Isaac as an appraiser of the property on University avenue subject to special taxation on account of the new pavement. Mr. Isaac is a property owner on that thoroughfare and therefore could not serve.

The following persons were appointed to serve as appraisers on the opening of Estelle street: C. W. McCoy, J. C. Jones and Charles Sweeting. The property owners on either side of the street have agreed to stand all expense of the improvement.

Commissioner Burton moved that an ordinance be prepared by the city attorney to conform with the state law in regard to the erection and maintenance of new escapes on all buildings. It carried.

Commissioner Isley, of the sewer and drainage committee, moved that the city engineer be instructed to begin the work of making estimates for the storm water gate at Sullivan's dam. He also made a report as chairman of the committee that the best material for the structure would be oak.

Commissioner McKee moved and motion carried, to have the sewer and drainage committee in company with the board of health, examine the sanitary condition of a private sewer maintained by the Wichita hospital.

Commissioner Bell moved that some building at the northwest corner of Lewis and Rimpson avenue has been destroyed. The matter was referred to the public improvements committee.

In accordance with a report from Fire Marshal Walden the members of the council made and adopted a motion to have the mayor instruct the owners of Root Bros. barn on South Water street that it does not conform with the code of laws. The building was condemned by Mr. Walden and alleged unsafe.

On motion to Commissioner Bell the street commissioner was instructed to build a culvert between Water and Main street on Kellogg.

Commissioner McKee made a motion which carried that the street commissioner be instructed to build crossings at Adams and Shirley avenues on the West Side.

Commissioner Freeman offered a motion which carried, to have a curb line established on Cleveland avenue, the fourth block. It seems that this block of that street does not conform with the remainder of the thoroughfare.

On motion by Commissioner Schell, the city clerk was instructed to notify the Missouri Pacific to erect a sidewalk on the south side of Eleventh street between Main and Water.

Another motion by Mr. Schell carried, to have the street commissioner grade the street wherever the thoroughfares were damaged by the street railway; compare turning up its tracks in the center of the city, formerly used by that company's stock yards.

A petition was read from the W. C. T. U. requesting that the city pass an ordinance making the selling of cigarettes or cigarette papers a violation of the law. The matter will be reported by a committee at the next regular meeting.

The committee was appointed something new, but owing to their inability to meet and discuss the subject nothing had been done with the matter.

A petition requesting the opening of Wichita street in the south part of the city was read and referred to the public improvements committee.

A petition asking for the closing of an alley in the south part of the city between Topoka avenue and Lawrence was referred to the public improvements committee.

A petition offered by residents of College Hill was offered requesting that a culvert be built under the street to prevent further flooding of the property at Hubbard, Cedar and Douglas avenues was adopted on motion of Commissioner Burton. The street commissioner was instructed to build the culvert.

Clear weather is general this morning over the middle and southern slopes, western gulf states and extreme southwest, but elsewhere cloudy, threatening weather prevails. Snow was falling at the morning observation at Cincinnati, Chicago, St. Louis and Toledo and rain at St. Paul and St. Cloud. Moderate precipitation has been general in the past twenty-four hours over the northern half of the Pacific coast, like region, Ohio, entire Mississippi and lower Missouri valleys. A Pacific Northwest disturbance of considerable energy and wide extent is making its appearance over Oregon. The indications point to the forward movement of this depression, which will cause rising temperatures in this section today. A ridge of high pressure over the great plains from Manitoba to the Gulf of Mexico.

REAL ESTATE DEALS.

More People Buy Property on Which to Build.

Through the agency of the A. C. 1 real estate company, Norton Gars sold a building site on College Hill, formerly owned by the late John H. Gars, to J. H. Taylor, of the Wichita Daily Eagle. The property is located on the corner of Burton and Second streets, on College Hill. The consideration was \$500.

Emmett E. Culler, through the agency of the same company, sold to Mrs. G. W. Bristol property 25 by 15 feet, located on First street, between H. H. and H. H. and H. H. for a consideration of \$125.

STOMACH BITTERS

This family remedy will put the stomach in condition to receive the food and enable it to perform its digestive functions properly. Then you'll not suffer any more from Heartburn, Belching, Nausea, Indigestion, Dyspepsia, Constipation or Liver Troubles. Don't fail to try it. At all Druggists.

Miss Alice M. Smith, of Minneapolis, Minn., tells how woman's monthly suffering may be permanently relieved by Lydia E. Pinkham's Vegetable Compound.

"Dear Mrs. Pinkham:—I have never before given my endorsement for any medicine, but Lydia E. Pinkham's Vegetable Compound has added so much to my life and happiness that I feel like making an exception in this case. For two years every month I would have two days of severe pain, and could find no relief, but one day when visiting a friend I ran across Lydia E. Pinkham's Vegetable Compound, and she had used it with the best results and advised me to try it. I found that it worked wonders with me; I now experience no pain, and only had to use a few bottles to bring about this wonderful change. I use it occasionally now when I am exceptionally tired or worn out. Mrs. Alice M. Smith, 304 Third Ave., South Minneapolis, Minn., Chairman Executive Committee, Minneapolis Study Club. —\$5000 for original of above letter proving genuineness cannot be produced.

Lydia E. Pinkham's Vegetable Compound carries women safely through the various natural crises and is the safe-guard of woman's health.

The truth about this great medicine is told in the letters from women being published in this paper constantly.

Before allowing the jury to retire to the jury room, the judge appointed Ed Roberts, formerly for the session. After the jury had retired, A. J. Manuel, of Newton, was excused from service on account of sickness in his family.

Judge Pollock, who, at the opening of court, had defined in few words his position, and expressed an intention of refraining from advising except in urgent cases, any attorney pleading at the bar as to cause or procedure, next read the combined dockets, commencing at the criminal cases and continuing through to the civil section.

The various criminal and equity cases, the first to be disposed of, were set for hearing at later dates during the term, commencing this morning when No. 1018 on the equity docket the case of Louis H. Poll vs. W. A. Hicks, trustee, will be heard, followed by No. 23 on the criminal docket, the case of United States vs. Frank St. Clair, George Gallagher and John Underhill.

The post office at Galva, Kansas. In this bill, which was returned at the last term, the defendants are charged with taking the sum of \$300.00 from the post office and the argument was made by attorney for the defense that, inasmuch as the bill does not explicitly state the exact amount and denomination of the money stolen, the indictment is void. It was the first argument to be made before Judge Pollock as United States judge, and the attorneys present were much interested as to how he would hold in the plea.

The district attorney was instructed to bring the action this morning when full weight will be given to the charge and argument of dismissal.

The next argument heard was also a case that was before the last term in regard to shipping birds killed in the state out of season to another state. Counsel for defense argued that the charge in this case could not be sustained as the birds were killed during the open season and were not shipped from the state, but held at the depot in Wichita before shipment. Judge Pollock instructed the district attorney to submit proof in this case also that the defense was actually committed as stated.

After hearing pleas from several attorneys for time to prepare statements on cases in which they were interested, the judge adjourned court for the noon hour to reconvene at two o'clock.

Reconvened Session.

Promptly at two o'clock Judge Pollock made his appearance on the bench and court was declared open. The court room was not as well filled with legal talent as during the morning session, as several of the attorneys, having had their cases continued till later dates or otherwise disposed of, had absented themselves from the proceedings which to one not involved are to say the least somewhat tiresome.

The first case called was in the law branch, No. 1011, Louis Seeger vs. The C. B. & P. Railway Co., wherein the plaintiff alleges that, for reasons stated in the complaint, the defendant is liable in moving cars of wheat, he was at a loss, being in the grain business at Galva, O. T., and estimates such loss to be \$500.00.

He further states that by reason of a wreck on said road where he lost part of one car of wheat he is at an actual loss of \$250.00 and in addition to this for the loss of his business which was damaged to such extent as to cause him to suspend, he claims damages to a further sum of \$500.00.

After hearing argument from counsel on both sides Judge Pollock deferred action until his next visit in June.

In the next case called the United States vs. Frank J. Davis, the defendant entered through his attorneys, F. Dumont Smith, a plea of guilty on second count. Mr. Davis entered a guilty plea on the first count. Davis is charged with being short in his accounts which postmaster at Larned, the sum of \$300, which was

NO GREASE OR DANGEROUS DRUGS

In "Herpicide," the New Scientific and Successful Dandruff Cure.

Have you dandruff? Then you have a contagious scaly disease, unsightly, unhealthy and one that will eventually lead to baldness. To cure it you must destroy the parasite that eats at the root of the hair. The only preparation for destroying these germs is Newb's Herpicide. Charles Klein, of Lawrence, Mo., says: "Herpicide cleared the itching, cured the dandruff and stopped my hair falling out and it is bringing a new crop of hair." Herpicide is free from grease or dangerous drugs, and makes hair glossy and soft as silk. One bottle will convince you of its merits. Sold in leading druggists. Send for sample to The Herpicide Co., Detroit, Mich. Moore Drug Co., special agents.

UNITED STATES COURT OPENS

Case of W. D. Hibbon Is Dismissed.

CRIMINAL HEARINGS FIRST

Docket Will Be Cleared with Dispatch.

Judge John C. Pollock, of the United States court convened the second division branch yesterday morning at ten o'clock in the Federal court room on the third floor of the post office building. Attorneys from all parts of the division, which comprises forty counties in the southern and western portion of the state were present, and nearly every case on the combined dockets was represented by one or more counsel.

After the impressive call of the court crier announcing the United States court to be in session and invoking Divine guidance on all concerned, the grand jury was called out, after instructions by Judge Pollock, as to their deliberations at this term of court, was sworn in.

The members of the grand jury, answering to the call and being sworn by the clerk of the district court, are as follows:

J. M. Milburn, El Dorado; E. E. Frazier, Coldwater; Thomas Norris, Wichita; Ed Roberts, Garden City; John Brock, Hays; J. O. Bare, Protection; A. J. Manuel, Newton; G. L. Holmes, Garden City; A. J. Brown, Conway Springs; O. S. Gibson, Arkansas City; Newton Denning, Hutchinson; H. N. Ford, Wichita; Frank Maxwell, Akon; Dell Warner, Perreville; C. L. Thomas, Dodge City; J. T. Carter, Hartland; C. H. Sohn, Anthony; Lewis Frimpe, Sawyer; Jacob Logan, El Dorado; W. H. Chapman, Dodge City; Thomas Hazel, Deerfield.

Before allowing the jury to retire to the jury room, the judge appointed Ed Roberts, formerly for the session. After the jury had retired, A. J. Manuel, of Newton, was excused from service on account of sickness in his family.

Judge Pollock, who, at the opening of court, had defined in few words his position, and expressed an intention of refraining from advising except in urgent cases, any attorney pleading at the bar as to cause or procedure, next read the combined dockets, commencing at the criminal cases and continuing through to the civil section.

The various criminal and equity cases, the first to be disposed of, were set for hearing at later dates during the term, commencing this morning when No. 1018 on the equity docket the case of Louis H. made good by his bond. Judge Pollock fined the defendant in the sum of \$100 and costs.

The next case called was the United States vs. W. D. Hibbon, charged with shipping dead birds from the state, which was dismissed on request of the district attorney, as he was unable to secure proof as instructed that would make his charge stand.

The case of the United States vs. Arthur Richardson was next called and as this action would in all probability be the last criminal case yesterday afternoon the plea of guilty in attendance were executed, without having been called, until 11 o'clock this morning. Richardson was fined after pleading guilty, the sum of \$100 and costs, and was imprisoned in the county jail for a period of one day.

The case of the Bauteen Bank of St. Louis vs. D. G. Fritz, et al. was next called to the law section and the attorneys for the plaintiff prepared to place before the court a voluminous document tending to show the diversity of citizenship, and that the mortgage in question should not be included in the present action. The Bauteen Bank is attempting in this action to prohibit the first mortgage from disposing of a lot of cattle in Clark county. The value of the ranches and the mortgage of \$5000, and has been fought bitterly through different courts and is being closely watched by both bankers and cattlemen in general. The case took up the remainder of the afternoon and was warmly discussed by both sides. After hearing to the arguments until 2 o'clock the judge called a halt and stated that the case would be resumed at the opening of court today at 10 o'clock.

The following cases were continued on reading of the docket until the April term of court at Topeka which is in the first division state of Kansas: The United States vs. H. E. Best, No. 24 on the civil docket.
